

CEDARBRAE CHILDCARE NEWSLETTER

Fall 2019

Dear Families, Parents, Friends.

Welcome back! We hope you all had a wonderful summer and good rest. Children in Centre had awesome, busy summer this year. We had Water week, Stampede, Sport week, Multicultural week, Circus and Hawaii days. We celebrated Move On in Kindergarten and had a multicultural week

THANK YOU NOTE

Dear [REDACTED],

Thank you so much for giving us such a lovely and meaningful gift on our Multicultural Event – August 1, 2019. We are truly appreciated - that made our Event even more special. Thanks a lot again!

This summer we had a lot of rainy days, anyway we had also lots of fun. Children enjoy outdoor Summer and activities like a Water day and Sport week.

NEWS IN CENTRE

Dear Families,

It's the time of year to take stock of what's in your child's cubby. Please remove excess toys and unnecessary items. The extra clothing may be getting too small and /or not weather appropriate as we are heading into the Fall/Winter Season. Please make sure to bring a long pair of pants and long-sleeve shirt for extra clothes.

Outdoor play is an important part of the program of our Center. We remind parents to provide weather appropriate clothing, so we can fully enjoy our outdoor playtime.

During the cold / rainy weather we will use our favorite Jungle room for indoor gross motor activities.
